16th Annual AAHEXPO Volunteer Recruitment

Saturday April 9th, 2015, 10:00 AM-2:00 PM
Tarrant County College – South Campus

Dear Community Partner:

Your organization is invited to participate as a volunteer in our 16th Annual African American Health Exposition (AAHEXpo). As a resource for “Total Health & Wellness” the AAHEXpo educates on the many issues that impact African American/Black communities serving as a bridge between knowledge and access barriers. We accomplish this each year by serving as a meeting place to foster awareness as well as providing access to important information that encourages and supports positive lifestyle decisions. Our purpose is rooted in our desire to facilitate a reduction in the health differences that divide our communities.

To ensure success, your participation is vital. There are opportunities to serve in a variety of areas such as registration, set-up and breakdown, vendor sign—in, greeters, evaluators, Hospitality room, parking lot attendants etc. We are sure to find a match to meet your skills, interests and availability.

Please consider accepting this invitation to serve your community at the 16th Annual African American Health Exposition!

On-line Registration: <https://www.volunteersignup.org/FYETA>
